

NORWOOD CHAIR MOVER

NCM-1971B

Heavy-duty dual locking wheels for smooth gliding

Norwood Chair Mover

The Norwood Chair Mover is compatible with both the Norwood Power, & Manual Chairs, as well as with most other Power & Manual Chairs being used today. The attractive black color blends seamlessly with the base of our Norwood Chairs & only adds 3 inches in width at the chair base.

- The straight back and forth motion of the wheels allow you to effortlessly move the Norwood Chair mover in and out of place
- Least expensive and easiest way to accommodate wheelchair and disabled patients
- Wheel locking mechanism keeps the chair mover in place when not in use.
- The wheels large diameter allows the chair mover to move easily on various flooring surfaces.
- Allows your exam lane to be wheelchair accessible for a far more comfortable experience for your handicapped patients.
- Dimensions: 27"W X 26"D X 1.5"H
- Maximum Weight Limit: **600 lbs.**

Easily accommodate wheelchair and disabled patients
